**REVOCATION AND POWER OF ATTORNEY
AND CORRESPONDENCE ADDRESS INDICATION FORM**

I hereby revoke all previous powers of attorney given in the above-identified patent/application.

I hereby appoint Practitioners associated with the Customer Number 25226 as my/our attorney(s) or agent(s) to prosecute the application identified above, and to transact all business in the United States Patent and Trademark Office (PTO) connected therewith.

Please recognize or change the correspondence address for the above-identified application to the address associated with the above-mentioned Customer Number 25226.

I am an Assignee of record of the entire interest. See 37 CFR 3.71. Statement under 37 CFR 3.73(b) is enclosed. (Form PTO/SB/96).

By executing the Power of Attorney, Neuro Therapeutics AB is allowing said Practitioners of the firm ("Morrison and Foerster"), to prosecute the above-referenced patent application and to prosecute any related matters that arise before the PTO in the enforceable life of a patent issuing from the above-identified application. Although the Power states that Neuro Therapeutics AB is appointing said Practitioners with "power of attorney" for the sole purpose of

prosecuting the matters arising before the PTO in connection with the patent application, that appointment is understood solely in light of Neuro Therapeutics AB ownership interest in the application. So, despite the use of the phrase "power of attorney," Neuro Therapeutics AB and said Practitioners and Morrison and Foerster mutually agree and confirm that this executed power of attorney does not create any attorney-client relationship, actual or prospective, between Neuro Therapeutics AB and said Practitioners and/or Morrison and Foerster, or, for that matter, between said Practitioners and/or Morrison and Foerster and any other person. VistaGen Therapeutics, Inc., will remain said Practitioners and Morrison and Foerster's sole client in respect of the subject patent application and patent issuing therefrom. Accordingly, said Practitioners and Morrison and Foerster understand, and your signature on the Power confirms, that said Practitioners and/or Morrison and Foerster have no attorney-client relationship with Neuro Therapeutics AB, or with you personally, and that, notwithstanding this executed Power of Attorney, said Practitioners and/or Morrison and Foerster are free to represent any clients, and to take positions adverse to you in any current or future matter (whether involving business transactions, counseling, litigation or otherwise).
